*Notes for Students

Please contact your advisor and the Financial Aid Office before making a schedule change after the 100% refund deadline.

Refund dates apply to ALL courses including those that do not start at the beginning of the semester or block (e.g. weekend courses). Refunds are calculated from the date the Drop/Add form is received in the Registrar's Office. It is the responsibility of the student to complete a Drop/Add form for any class additions or withdrawals. Drop/Add forms must be returned to the Registrar's Office by the dates and times listed above.

Non-attendance of courses does not constitute official withdrawal. It is the responsibility of the student to complete a Drop/Add form for any course additions or withdrawals. The Drop/Add forms must be returned to the Registrar's Office by the dates and times listed above.

Getting Started in CCPS Programs

Obtain your Drury Username and Password

New students will be mailed a Drury username and password. With a Drury ID number, new accounts can also be activated from the homepage of MyDrury by clicking on *Password Management* then on *Activate My New Account*. Returning students or others who have forgotten logins can complete the Login & Help Request Form at www.drury.edu/techsupport/forms/loginemailhelp, see the Help tab on MyDrury, or contact the Help Desk at helpdeskticket@drury.edu or (417) 873-7300.

MyDrury

MyDrury provides online access for students to view their transcript, grades, financial aid awards, and business office records. Students may also update personal information and search the current class schedule. MyDrury is available at www.drury.edu

Moodle

Moodle is the Learning Management System (LMS) at Drury. Online and blended students are expected to log into Moodle the first day of class and regularly participate in class via Moodle. Access to online and blended courses is available in Moodle one week prior to the course start date. Students may log into Moodle at moodle.drury.edu with their Drury username and password. If you do not have a Drury username and/or password or have difficulty logging into Moodle, please contact the Help Desk at helpdeskticket@drury.edu or (417) 873-7300.

It is important to familiarize yourself with Moodle. A Moodle orientation tutorial is available on the Moodle Home page to help students with tools and features by enabling them to participate in discussions, submit homework and take a practice test. For Moodle troubleshooting contact Becky Polk at bpolk@drury.edu or (417) 873-6906.

Secure Financing

All students must either be paid in full or on a Nelnet Payment Plan two weeks before the semester begins. Some students pay outright, while others seek Financial Aid (through grants, loans or scholarships). For more information regarding tuition payments, Nelnet and deferred payment, visit www.drury.edu/businessoffice/. Information about Financial Aid is available at www.drury.edu/financial-aid/.

Order Textbooks

Information on textbooks for CCPS classes and the option to purchase them is available at <http://bookstore.drury.edu/>. Instructions for ordering textbooks with a voucher are listed at http://bookstore.drury.edu/site_customer_service.asp. If you have not received your books within seven days after ordering, please contact the Drury Bookstore at (417) 873-7316.

Parking Permits

Students parking at the Springfield campus are required to display current parking stickers. Parking stickers are available in the Security Office in the lower level of Findlay Student Center during regular business hours. (417) 873-7400

Online Tutoring via SMARTHINKING

Drury students have access to free online tutoring in several subjects through SMARTHINKING.com. For more information, click the SMARTHINKING link in the Online Tutoring section of your Moodle course.

Drury Email

Students should check their Drury University email account on a regular basis as it is considered the University's official mode of communication. Students corresponding by email in reference to adding/dropping classes or financial aid related matters must use their official university email account (i.e.@drury.edu) and include full name and Drury ID number. All responses from the University will be sent to your official University email address.
